Privacy Notice Applicant: Please read before providing your personal information.

To evaluate your suitability for employment or another business relationship, Girl Guides of Canada-Guides du Canada ("the Company") will ask Sterling Talent Solutions Canada Corp. and its parent, affiliates and subsidiaries ("Sterling", "we" or "us") to complete an Enhanced Police Information Check (EPIC). This is two-part search, conducted by a Canadian police service on our behalf. The first part is a search of the Royal Canadian Mounted Police (RCMP) National Repository of Criminal Records. The second part is a search of local police information across Canada. The searches are conducted using the Identification, Investigative and Intelligence Data Banks of the Canadian Police Information Centre (CPIC), the Police Information Portal (PIP) and other local and provincial police databases using your name(s), date of birth and declared criminal record. The result will indicate three things: first, whether a criminal record exists that may match your personal information; second, whether your declared criminal record is a complete and accurate match to the record on file; and third, whether information exists in local police databases that may match your personal information. In some cases, the search may be inconclusive. We will not receive details of your criminal record or local police information other than those you provide. Only the submission of your fingerprints to the RCMP can result in the release of a Certified Criminal Record and resolve inconclusive or disputed criminal record results. Only a Police Information Check (or similar) through the local police where you live can result in the release of local police information. **Use:** Our data entry, order fulfillment, quality assurance, client service, finance and compliance teams may use your personal information to complete the EPIC and communicate with you or the Company. These teams include our employees in Canada, the Philippines and India. Wherever your information is transferred, it will be handled in accordance with our privacy and security policies and Canadian laws, but it may also be subject to foreign laws. **Disclosure:** We will disclose your personal information to the Company and the Canadian police service that completes the EPIC. **Storage and retention:** We will store your personal information on servers located in Calgary, Alberta, Canada. We will keep your personal information for as long as we need it to complete the Services, deliver and maintain Reports for the Company and fulfill our legal and contractual obligations, after which it will be destroyed. **Your rights:** You have a right to access your personal information, dispute its accuracy or completeness, be told its sources and to whom it has been disclosed, and modify or withdraw your consent for its collection, use and disclosure. You have a right to ask questions or complain about how we handle your personal information. To do any of these things, contact one of our Privacy Analysts at privacy@sterlingts.com, 1-866-455-5671 or 200-19433 96 Ave, Surrey BC V4N 4C4. For more information about our privacy and security policies, go to www.sterlingtalentsolutions.com/pven/. To understand why the EPIC is being requested, what will be done with personal information disclosed to the Company, or the consequences of not providing your personal information, please speak to your contact with the Company.
