YouthSpark: Technology Innovations and Digital Literacy

Get an inside look at the latest technologies and digital skills that can help students organize information and communicate efficiently. Activities based on problem solving, data analysis and communication are at the center of this interactive experience that supports state/province curricula .

Field Trip Highlights include a digital scavenger hunt, modern note-taking and media presentation.

Duration: 90 Minutes	Group Size: 5 - 30 Students
Age Ranges: Grades 3-8	Cost: Free

YouthSpark: Learn to Code

Learn how to code firsthand without having to master complex algorithms. The core principles of coding apply to all students as they learn to organize, communicate and execute in a logical manner. Students create and publish their own apps and games in support of state/province curricula.

Field Trip highlights include storytelling through gaming, building and testing simple code and publishing apps.

Duration: 90 Minutes	Group Size: 5 - 30 Students
Age Ranges: Grades 3-8	Cost: Free
